योग: कर्मसुकौशलम्
"Excellence in action is Yoga"

While explaining “Karma Yoga” in Bhagwad Gita, as lord Krishna conveyed to Arjuna – “योग: कर्मसुकौशलम्”, one should cling to right action because skill in human action is yoga, In other words Karma will lead one towards excellence or supremacy.

We are working since 1983 and trying our best to create best talents in every area by giving equal opportunity not only in the field of academic excellence but in various areas also i.e. cultural activities, Sports, Physical and Health Education and trying to bring out hidden talents .In these years B. N. S. D. Shiksha Niketan has proved its vision and mission that can be seen through the outcomes in nearly every field. Our stakeholders are well planned for their academic excellence and success in various areas.

While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life.

The glorified, achieved medals and cups are the landmarking examples of success by our students. We are fostering our children and preparing them to face the coming challenges of life. We are educating them not to come only with problems but with a proper solution also. We, the school, are preparing our young minds to be curious and interested to apply three words i.e. Think, Act, and Hope. For these particular ideals of life, we should try to become very particular in our life as it is well said- “Action without thought and thought without action are folly.”

We do give high priority for our Student’s safety. School also initiates the activities that actively promote safe and healthy lifestyle and contribute effectively to sustainability and conservation of our environment.

I am thankful to the help and guidance provided by Shiksha Niketan in my success journey, Thank you so much for being my learning coaches and for helping in all-round development. In Shiksha Niketan I learnt how to use time wisely how to get good grades The best part of my school journey was that I was a hosteller ... so I am having lots of good memory of my education journey as hosteller also from 2017 to 2020. Thanks to the whole school staff.

- Gaurav Singh (IIT BHU, Chem. Eng.)

मैं अपने माता पिता को धन्यवाद देना चाहूँगा, जिन्होंने मुझे इस शहर के सबसे अच्छे विद्यालय बी.एन.एस.डी. शिक्षा निकेतन में भेजा और इसके साथ ही मैं अपने आदरणीय प्रधानाचार्य और शिक्षकगणों का अभिवादन करना चाहूँगा जो सभी छात्र-छात्राओं को उन्नति के लिए हमेशा कार्य करते रहते हैं। विद्यालय में मेरे जीवन के 4 वर्ष बहुत अच्छे व्यतीत हुए। मेरे विद्यालय ने मुझे बहुत कुछ दिया, इस बात में कोई शंका नहीं है कि हमारे विद्यालय की तरह यदि कई और विद्यालय पूरे देश में खुल जाए तो हमारे देश को आगे बढ़ने से कोई नहीं रोक सकता।

- Aradhya Dixit (I.I.I.T. Gwalior)

To be a student of such a great institution is a matter of honour in itself. The good learning environment of the school is really praise worthy. I would like to thank my school and my teachers for all they have done for me. Their support, guidance and incredible notification helped me a lot to score good marks in board examination as well as to crack IITJEE

- Rahul Kumar (IIT, Kurushetra)

इस विद्यालय द्वारा दिये गये संस्कार और ज्ञान संपूर्ण जीवन साथ देते हैं, आदरणीय प्रधानाचार्य जी, अवनीश सर, अविनाश सर, मनबोधन सर आदि ने मुझे मेरी जे.ई.ई. की तैयारी में अत्यधिक सहायता की। जब संपूर्ण भारत कोरोना की महामारी से लड़ रहा था, ऐसे कठिन समय में भी मेरा पूरा विद्यालय परिवार एक साथ रहा और हमारी शिक्षा में बाधा नहीं आई। विद्यालय से जुड़ी सभी यादें, बातें, ज्ञान और संस्कार सदैव मेरे साथ रहेंगे, यह मेरा सौभाग्य था जो मुझे इस विद्यालय में शिक्षा और संस्कार ग्रहण करने का सुअवसर प्राप्त हुआ।

- Swastik Vishwakarma (I.I.T. Patna Mech Eng.)

- Mansi Singh B.Tech CSE (2022-2026), VIT BHOPAL

I took admission in BNSD Shiksha Niketan in class PG (2008). From the 1st day of my school life till last, my teacher always helped, advised and teach me that how could I grow my self to make my future brighter. My teacher's advice still help me to tackle all my todays challenges. In BNSD we were always motivated/advised never to give-up and to work hard to achieve success. The best moment of my school life was the day, when my startup OTTOCIK got funding. I still thank my teachers and school to give me an opportunity to join ATL labs.
