महाजनो येन गतः स पन्थः

“हमें यह देखना है कि अपना जीवन संस्कृति के अनुरूप कैसे बना सकें, हमारी जो कुछ भी क्षमता योग्यता है उसे समाज और राष्ट्र के उपयोग में कैसे लगा सकें। इस दृष्टि से ही हमको अपनी समस्यायें समझने व सुलझाने की दिशा मिलेगी।”

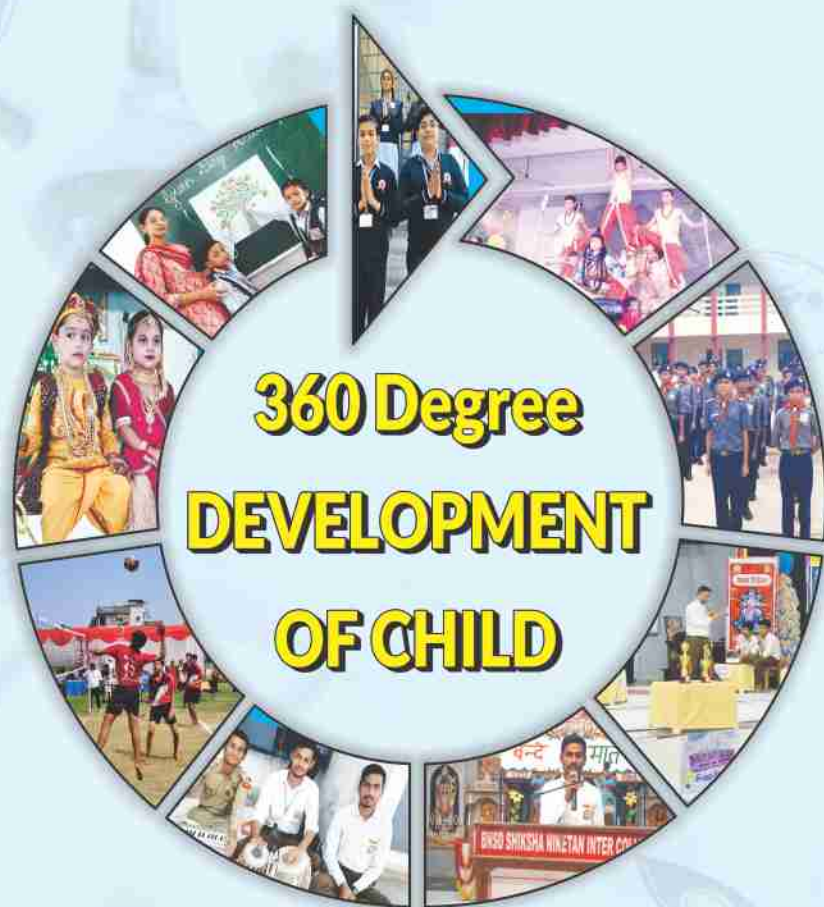

श्रद्धेय बैरिस्टर नरेन्द्रजीत सिंह

हमारा लक्ष्य

हमें ऐसे बालकों का निर्माण करना है जिनके चेहरे पर आभा, शरीर में बल, मन में प्रचण्ड इच्छा शक्ति, बुद्धि में पाण्डित्य, जीवन में स्वाबलम्बन, सद्गुणों से युक्त हृदय में शिवा, प्रताप, ध्रुव व प्रह्लाद की जीवन गाथाएँ अंकित हों और जिन्हें देखकर महापुरुषों की स्मृतियाँ झंकृत हो उठें।

निर्माणों के पावन युग में हम चरित्र निर्माण न भूलें !
स्वार्थ साधना की आंधी में वसुधा का कल्याण न भूलें !!

The School System-Houses and Sections

During their primary years, children undergo crucial developmental phases and their education plays a pivotal role in shaping their future. At this stage, our methodologies focus on creating a nurturing environment that fosters curiosity, exploration and active learning. The school utilizes a blend of traditional teaching methods with modern approaches to cater to the diverse learning styles of each child. Hands-on activities, interactive games and experiential learning are incorporated into our curriculum to engage students and facilitate deeper understanding. A special dedicated team of educators is committed to providing a holistic education that empowers your child to reach his full potential. Together, we can nurture love for learning that will last for lifetime.

School curriculum is a cumulative outcome of cognitive development. The school is committed to providing a nurturing, inclusive, and stimulating environment where students can thrive academically, socially and emotionally. Our mission is to prepare students for high school and beyond, fostering life long learners who are curious, responsible and engaged citizens. The program aims to strive towards a fine balance between co-curricular and academic excellence.

Sr. Secondary section Enrichment Programs offer a wide range of subjects allowing students to delve deeper into their areas of interest and earn college credits while still in high school. Through leadership development programs, community service initiatives and extracurricular activities, students have the opportunity to develop essential leadership skills, cultivate empathy and make a positive impact in their communities. The school provides comprehensive college and career readiness support equipping students with the knowledge, skills and resources they need to pursue their dreams and succeed in the competitive global marketplace.

BNSD Shiksha Niketan (Except Pre Primary) is divided into four Houses for inculcating team spirit and encouraging healthy competition among students. The Houses conduct assemblies, participate in competitions and also take charge of overall cleanliness and discipline. These Houses are Audhrya, Chaitanya, Dakshinya, , Prabodha. Each House is supervised by a House incharge assisted by a team of teachers and office bearers of Student Council in managing day to day commitments

योग: कर्मसुकौशलम्

"Excellence in action is Yoga"

While explaining "Karma Yoga" in Bhagwad Gita, as Lord Krishna conveyed to Arjuna – "योग: कर्मसुकौशलम्", one should cling to right action because skill in human action is yoga, In other words Karma will lead one towards excellence or supremacy.

We are working since 1983 and trying our best to create best talents in every area by giving equal opportunity not only in the field of academic excellence but in various areas also i.e. Cultural activities, Sports, Physical and Health Education and trying to bring out hidden talents. In these years B. N. S. D. Shiksha Niketan has proved its vision and mission that can be seen through the outcomes in nearly every field. Our stakeholders are well planned for their academic excellence and success in various areas.

While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life.

The glorified, achieved medals and cups are the landmarking examples of success by our students. We are fostering our children and preparing them to face the coming challenges of

life. We are educating them not to come only with problems but with a proper solution also. We, the school, are preparing our young minds to be curious and interested to apply three words i.e. Think, Act, and Hope. For these particular ideals of life, we should try to become very particular in our life as it is well said- "Action without thought and thought without action are folly."

We do give high priority for our Student's safety. School also initiates the activities that actively promote safe and healthy lifestyle and contribute effectively to sustainability and conservation of our environment.

The education based on human values and morality is the foundation of a society. Education is a powerful weapon. It is a means of transition and awareness about cultural heritage. If education is not able to pass on knowledge culture, heritage and human values from generation to generation, the society will be cut off from its roots and past civilization.

The concept of strong nation is possible only by shaping the personality of its students. To achieve this purpose, along with literacy, we have to cultivate high moral values like good conduct, morality, decency, deep faith in Indian culture, life ideals, self-respect, self-discipline, self-confidence and belief in hard work. Keeping in mind the present global scenario, we are committed to make our students aware of water harvesting, deforestation, environment protection, corruption, terrorism and other social issues.

Bramhavarta Sanatan Dharma Mahamandal was established in 1810 to promote a valuable and relevant education for the students. Under the aegis of the Mahamandal, Vikramajeet Sanatan Dharma Mahavidyalay, The Law College, Pt. Deen Dayal Sanatan Dharma Inter College, Shree Vishambharnath Sanatan Dharma Balika Vidyalay and Smt. Narayani Devi Sanatan Dharma Vidyalay, B.N.S.D. Shiksha Niketan Balika Vidyalay, Shree Motilal Khedia Sanatan Dharma Inter College and Durgawati Durga Prasad Sanatan Dharma Balika Vidyalay were established in a row.

In this series, **BNSD Shiksha Niketan Inter College** was established in 1983 at Benajhabar, Kanpur. This school offers English Medium Education based on NCERT pattern along with human values and discipline. From the very beginning, the main objective of the school has been to cultivate etiquette and ethics with ethos among the students and keep the Indian Culture alive.

The school has been setting new records every now and then since establishment. Securing merits in High School and Intermediate Board Exams, ranks in Civil Services, IIT (JEE) and in Medical Field. The students of BNSD Shiksha Niketan, from time to time, have been glorifying our school as well as their parents.
